

PETITION FOR REDRESS OF GRIEVANCE

TO: The Honorable House of Representatives
FROM: Petitioner Representative Daniel C. Itse, Rockingham 10
DATE: December 12, 2014
SUBJECT: Grievance of Timothy Sanborn

Your Petitioner, Representative Itse on behalf of Timothy Sanborn and for the citizens of New Hampshire who may likewise be affected, hereinafter presents the following summary of his grievances involving Marital Master Fishman, and Marital Master Cross and invokes the constitutional authority and duty of the Honorable House of Representatives pursuant to said Articles 31 and 32 to bring about redress:

Grievance involving:

1. Failure of the administrative judge of the judicial branch family division during the period 2007-2011 to adequately manage and train marital masters.
2. Marital Master Fishman who incorporated recommendations by opposing counsel in an order that effectively denied health insurance to Timothy Sanborn by reversing a previous decision.
3. Marital Master Cross who issued a divorce decree without the requisite signature on the stipulation or the necessary financial affidavits. Marital Master Cross issued an order which required that the respondent in a divorce pay the legal fees of the petitioner in that divorce and which prohibited any reconsideration of that order or appeal of that order to an other Court including the Supreme Court of New Hampshire.

Wherefore, your Petitioner prays that the House of Representatives consider this proposed remedy:

1. Introduce legislation to require the Family Court Division to follow the laws of the State, and that any waiver of rules requires a written justification.
2. Introduce legislation to restore the \$94,000 taken from the retirement account of Timothy Sanborn by the Court Appointed third party and require that such funds be returned to him.

Respectfully Submitted by Petitioner Representative Daniel C. Itse on Behalf of Timothy Sanborn and the citizens of New Hampshire.
