COMMITTEE ON REDRESS OF GRIEVANCES

November 15, 2011

Maggie Bishop, Director
Division For Children, Youth and Families (DCYF)
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301-3857

Dear Director Bishop:

The Redress of Grievances Committee respectfully requests that you or a thoroughly knowledgeable and authoritative representative from your Department meet with us on November 29, 2011 at 10:00 a.m. in Room 303 of the Legislative Office Building.

Following up on our Redress of Grievance duties we wish to discuss questions regarding the policies, protocols and rules of your Department that have arisen from the grievance hearings on Petitions 2,6,8, and 14. We will not be inquiring into the specifics of any petition at this time, but simply wish to discuss the DCYF norms related to some of the situations alleged in these petitions. To give you an idea of what we are looking for I have enclosed a copy of the questions surrounding just Petition 14.

If you have any questions or need further information, please contact me at (603) 989-3092 or by email: ingbretson_studio@yahoo.com.

We are looking forward to meeting with you.

Respectfully,
